Redcliffe City Cyclones Junior Cricket Club – refunds policy

Refunds can only be provided for a valid reason, not simply because a player decides they don't wish to play any longer.

Valid reasons include but limited to:

- Moving out of the area
- Injury
- Playing for school (private schools, post-Christmas comp)

There are a number of costs, eg fees and equipment that are paid by the club for a player and team for the entire season and for this reason the half season refund is not half the registration fee.

Half Season fees to include an admin fee to cover purchases made for the year, eg balls, kits, the BNJCA player fee and all costs incurred by the club.

The Executive committee must authorise all refunds, this is done at the next available committee meeting.

Refunds of fees will be subject to a fee of \$85.00

No refunds will be provided once the post-Christmas season commences.

No refunds will be provided for families using fair play vouchers.
